Dear Batavia Township Resident:

Republic Services and Batavia Township are pleased to announce our plans for the 2019 Large Item “Amnesty” Collection week. During the week of **June 3rd thru June 7th**, residents who are in good standing and participants of the Republic Services solid waste collection program are eligible to place additional large items to the curb at **NO ADDITIONAL EXPENSE**. As you are aware, residents now can set out up to three large items per week, on your normal collection day.

Residents are to place their items at the curb the night before their normal collection day so that they can be collected on the normal collection route. **All large items such as FURNITURE or MATTRESSES still need to be wrapped in plastic.** Appliances and air conditioner units with CFC's will need to be tagged by a certified agent. Yard debris and wood can also be placed at the curb but must be tied and bundled being no longer than 4' and weighing no more than 50lbs. Rolled carpets also apply to this, tied and bundled no longer than 4' and weighing no more than 50lbs.

For those residents who are unable to get your large items to the curb in a timely manner, Batavia Township will have a Republic Services roll-off container in place at **2401 Old State Route 32** so that you can bring your items and they can be collected. The containers will be accessible Monday and Wednesday 8am to 4 pm, Tuesday, Thursday and Friday from 8am to 7pm and Saturday from 8am to 12 noon. **There is no added expense to the residents who currently are customers of the Republic Services/ Batavia Township Solid Waste contract.** Roll-off container will be accessible during business hours only and will be removed at noon on Saturday June 8th!

In the meantime, start planning what you would like to get rid of and make plans to get those items to the curb on your collection day the week of **June 3rd thru June 7th**. If you can't get your items to the curb in time, you will have one more opportunity to throw it away and that will be to take the items to 2401 Old State Route 32 and place it into the roll off container. Again, there is no fee for this service!

Here is a list of the ITEMS THAT WILL NOT BE COLLECTED OR ACCEPTED FOR THE AMNESTY COLLECTION:

- **Batteries-- Specific to lithium ion based**
- **Motorized Lawn and Garden Equipment with Oil and Gas**
- **Tires-- on or off the rim**

For questions about how to get rid of these types of items, please contact the Clermont County Office of Environmental Quality- (513-732-7745) or you can visit their website at www.oeq.net.
